

Supplementary material S1

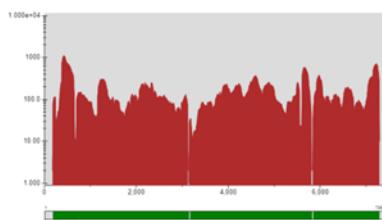

1

Genome coverage maps of enterovirus B subtypes

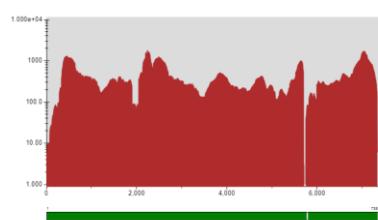

2

3

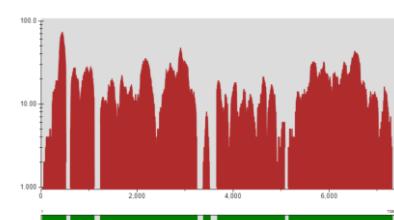

Coxsackievirus B2

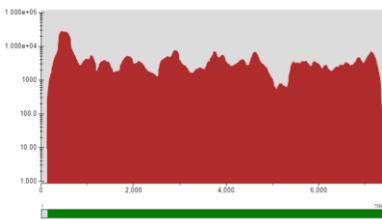

Echovirus 6

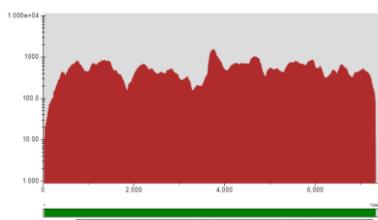

Echovirus 13

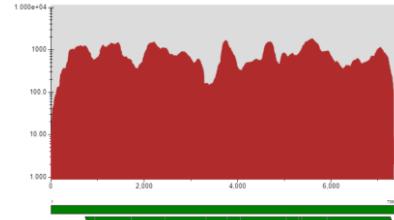

Echovirus 13

Echovirus 15

Echovirus 15

Echovirus 19

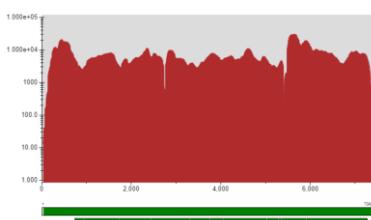

Figure S1: Genome coverage maps of the seven enterovirus B subtypes identified (coxsackievirus B2, echovirus 6, 13, 15, and 19).

10

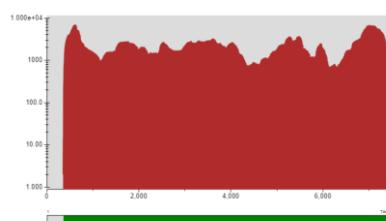

11

12

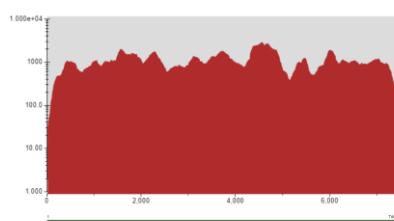

Genome coverage maps of enterovirus C subtypes

13

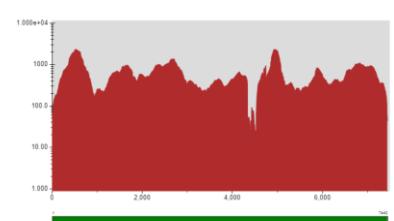

Coxsackievirus A19

Enterovirus C99

Enterovirus C99

Enterovirus C99

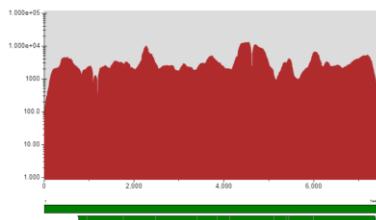

Figure S2: Genome coverage maps of the seven enterovirus C subtypes identified (coxsackievirus A19, Enterovirus C99).
