# Message from the Editor-in-Chief

*Medicines* (ISSN 2305-6320) is an international, peer-reviewed, open access monthly journal on drugs and their effect on the body. It publishes original research papers, research communications, letters, and systematic reviews. The contents of the papers handled are conventional, complementary and integrative medicine, and manufacture of new drugs, exploration of drug-delivery systems, diagnosis, therapeutic effect, action mechanism, and their modulation by intrinsic and extrinsic factors. We are expecting your high-quality scientific work in the field of medicine, pharmaceutical science, engineering, and agriculture.

## Aims

*Medicines* (ISSN 2305-6320) is an international, peer-reviewed, open access journal aimed at combining all areas of medical disciplines and sub-specialties in one platform. It publishes original research papers, case reports, and systematic reviews on all aspects of general medical research and clinical practices, as well as the analysis relevant to human health. Our aim is to encourage scientists to publish their theoretical and experimental results in as much detail as possible. There is no restriction on the maximum length of the papers.

---

## Scope

- Acupuncture and herbal medicine
- Cancer biology and anticancer therapeutics
- Cardiology and vascular disease
- Endocrinology and metabolic disorders
- Gastroenterology & hepatopancreatobiliary medicine
- Immunologic and inherited diseases
- Infectious diseases
- Mental health
- Nephrology and urology
- Neurology and neurologic diseases
- Oral medicine and dentistry
- Primary care
- Radiology
- Obstetrics, gynecology and reproductive medicine
- Stem cell investigation and regenerative medicine
- Drugs exploration and development

---

## Author Benefits

### Open Access

Unlimited and free access for readers

### No Copyright Constraints

Retain copyright of your work and free use of your article

### Thorough Peer-Review

### No Space Constraints, No Extra Space or Color Charges

No restriction on the maximum length of the papers, number of figures, or use of colors

### Coverage by Leading Indexing Services

PubMed, PMC, CAPlus / SciFinder, and other databases

### Rapid Publication

A first decision is provided to authors approximately 28 days after submission; acceptance to publication is undertaken in 3.7 days (median values for papers published in this journal in the first half of 2023)
